COLOMBIA.

Report from Bocas del Toro, fruit port—Smallpox—Vaccination.

Acting Assistant Surgeon Osterhout reports as follows: Week ended June 9, 1903. Present officially estimated population not obtainable; number of deaths from smallpox during the week, 4; number of deaths from other causes, 2; prevailing diseases, smallpox and malarial affections. General sanitary condition of this port and the surrounding country during the week, not good. The number of cases of smallpox is not known. The isolation hospital now has 41 inmates. An honest endeavor is being made to isolate all those affected. Compulsory vaccination is being carried out. The lower classes of inhabitants are concealing those sick with smallpox. There were 2 deaths due to tuberculosis.

Bills of health were issued to the following-named vessels:

Date.	Name of vessel.	Number of crew.	Number of passengers from this port.	Number of passengers in transit.	Pieces of baggage disinfected.
June 3	Taunton	25	0	0	0
4	Fort Gaines	23	0	0	0
4	Bodo	18	0	0	0
6	Mount Vernon	22	1	0	2
